- Final deliverable – strategy guide

Three Policy Focus Areas

Culture of Innovation

Empowering Educators

Assessments

Policy Recommendations

1. Model **state portrait**

2. **Policy flexibility**
guidance

3. **Funding flexibility**
guidance

4. **Study policy structures**
& recommend changes

5. **District supports**

6. Student-centered
learning network

7. Dedicated **state funding**

8. Expand access to
student-centered
trained educators

9. Student-centered
**professional
development**
opportunities

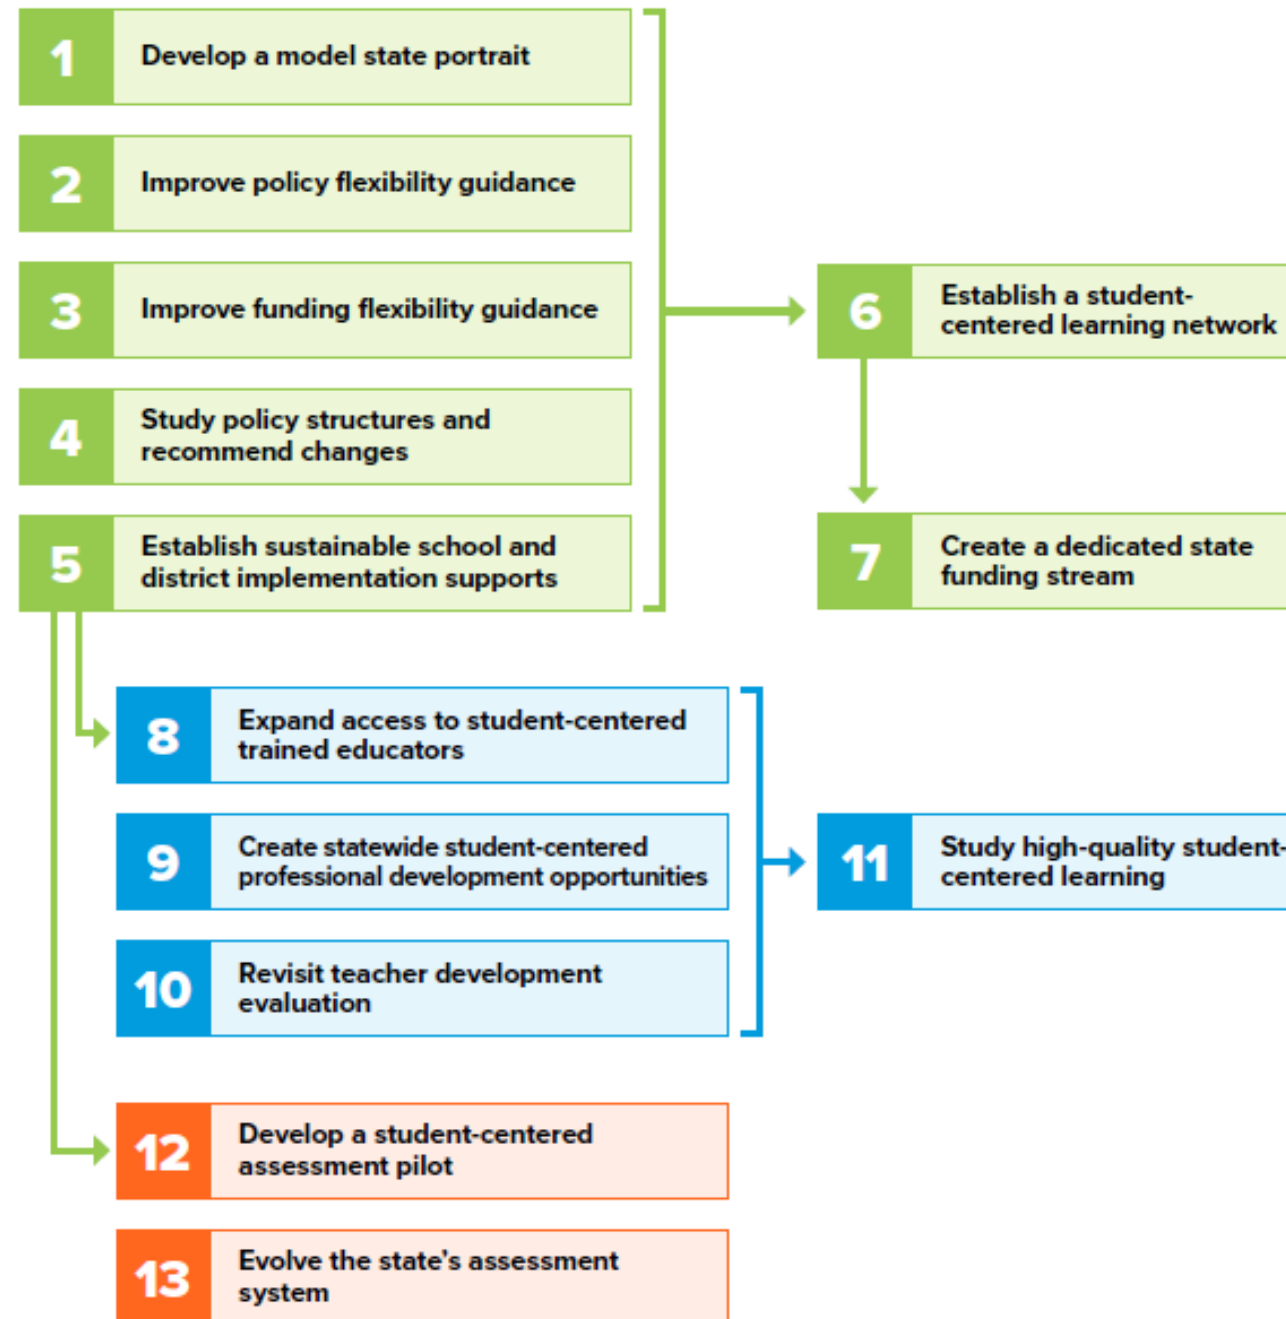

10. **Teacher
development** structures

11. **Study practices** &
clarify outcomes

12. Student-centered
assessment pilot

13. **Evolve** state
assessments

One Path Forward

Organizational Recommendations

- Add **capacity and expertise**
- Create a **dedicated working group**
- Measure and **communicate impact** & raise awareness of the need for change
- Build strategic **cross-state partnerships**

FYI: Minneapolis Foundation Grant Application

Q&A

- Given the scope of recommendations, what is your reaction to possibly creating an AMSD working group dedicated to implementing the recommendations in this strategy guide?
- If such a group were to be created, what might it look like in terms of composition and tasks?

Thank you for your time!
